

STUDENT

Darin Davis

NANODEGREE

Front-End Web Developer

PROJECT

HTML Mockup

Hello Darin,

Congratulations! Your project meets specifications. I am looking forward to your next nanodegree submission.

Best,

Poornima

Evaluator:**Meets Specifications**

- The code passes the auto-evaluator with a mismatch of 8% or less.

Separation of Concerns:**Meets Specifications**

- The Portfolio completely separates structure (HTML) from style (CSS)

Code Quality:**Meets Specifications**

- Code is formatted consistently and adheres to the rules lined out in the Udacity Style guide
